

### Cleanroom Silicone Sealant

- White or clear
- Non slump
- Cleanroom compatible
- Free silicone guide (Tips and tricks)
- On site silicone application

Technickon Ltd can supply a silicone application spray with this sealant. The spray allows the silicone to be moulded using a finger or moulding tools to produce a perfect feather free edge that will not peel. This method of silicone application produces a perfect joint that looks as if it has been extruded. We can advise on the methods of silicone application including 'tips and tricks' to enable you to produce a perfect and professional seal.

All technickon products are manufactured and tested prior to dispatch and are covered by a 12 month warranty from the dispatch date. Full operation and maintenance instructions are supplied as standard with all technickon products. If you require assistance in selecting the best equipment to suit your requirement please do not hesitate to contact us
